Sensitivity of Assay Devices)	

INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents
P.O. Box 1449
Alexandria, VA 22313-1450

Sir:

The present Information Disclosure Statement (IDS) is submitted for the Examiner's consideration. The IDS enclosed cites two references originally filed in an IDS on June 9, 2005 (copy attached) and received by the Patent Office on June 13, 2005. However, when the Applicant's document was processed at the Patent Office, the bottom two references were cut off as can be seen on the attached IDS stamped by the Patent Office and signed by Examiner DiRamio.

Pursuant to a telephone conversation with the Examiner on Wednesday, January 6, 2010, Applicants are resubmitting the references for her consideration.

The Examiner is encouraged to contact the undersigned at her convenience should she have any questions.

Respectfully submitted,

DORITY & MANNING, P.A.
